

CURRICULUM VITAE

Alok Tripathi, M.D.

ACADEMIC TRAINING

2006-2010 Bachelor of Science in Biology, Emory University, Atlanta, GA;
2010-2015 Doctor of Medicine, The Ohio State University College of Medicine, Columbus, OH;
2015-2016 Internship, Department of Medicine
MetroHealth Medical Center, Cleveland, OH
2016-2018 Internal Medicine Residency, Department of Medicine
MetroHealth Medical Center, Cleveland, OH
2018-2021 Fellowship, Gastroenterology and Hepatology, Department of Medicine
University Hospital Case Medical Center, Cleveland, OH

LICENSING AND BOARD CERTIFICATION

2018 American Board of Internal Medicine Certified
2021 American Board of Internal Medicine, Gastroenterology

PROFESSIONAL AND SOCIETY MEMBERSHIPS

American Gastroenterological Association
American Society for Gastrointestinal Endoscopy

Electronic Medical Record Experience

EPIC, AllScripts, CPRS (Veterans Affairs), Endoworks, Provation, eClinicalworks, Sorian

PRESENTATIONS

Arbiser, J and A. Tripathi, 2009. Synthesis and Examination of Triphenylmethane Analogs on WM35 PKB Cells. Abstract. Biology Undergraduate Research Symposium, Emory University. Atlanta, Georgia.

Sandhu D, Shah B, and A Tripathi. The Diagnosis You Can No Longer Miss! The Black Esophagus: A Manifestation of Shock and Diabetic Ketoacidosis, A Series. World Congress of Gastroenterology at American College of Gastroenterology; Oct 16, 2017; Orlando, Florida

Fass R, Yamasaki T, and A Tripathi. Gastrectomy Increases the Risk for Esophageal and Gastric Cardia Adenocarcinoma: An Exploratory study. Abstract. World Congress of Gastroenterology at American College of Gastroenterology; Oct 16, 2017; Orlando, Florida

Fass R, Yamasaki T, and A Tripathi. Gastrectomy Increases the Risk for Esophageal and Gastric Cardia Adenocarcinoma: An Exploratory study. Abstract. The MetroHealth System and The Rammelkamp Center for Education Research Day 2017; Oct 24, 2017; Cleveland, Ohio

Alok Tripathi. Killian-Jamieson Diverticula and The Etiologies and Management of Esophageal Diverticula. University Hospitals Cleveland Medical Center. Feb 2019. Cleveland, Ohio

Alok Tripathi. A Stubborn Bleed: Direct Intrahepatic Portocaval Shunt (DIPS) as a Salvage Therapy in Acute Gastric Variceal Hemorrhage. Tavill Citywide Liver Rounds. The American Liver Foundation. May 8, 2019; Cleveland, Ohio.

Jacob Sadik and Alok Tripathi, Amitabh Chak, Brooke Glessing, Ashley Faulx, John Dumot, Gerard Isenberg, Richard Wong, Zachary Smith. Unplanned Healthcare Utilization Following EUS-FNB. Abstract. American Society for Gastrointestinal Endoscopy at Digestive Disease Week; May 21, 2019; San Diego, California

Alok Tripathi. To Scope, or Not to Scope: Bacteroides Bacteremia. University Hospitals Cleveland Medical Center. June 2019. Cleveland, Ohio

Cohen SM, Tavri S, and A Tripathi. Direct Intrahepatic Portocaval Shunt (DIPS) as a Therapeutic Option in Acute Variceal Hemorrhage. Abstract. World Congress of Gastroenterology at American College of Gastroenterology; Oct 29, 2019; San Antonio, Texas

Alok Tripathi. Metastatic Duodenal Adenocarcinoma: Differential Diagnosis of Duodenal Lesions, Associated Syndromes, and Management. University Hospitals Cleveland Medical Center. December 2019. Cleveland, Ohio

Michael Kurin, A Tripathi, G Cooper, et al. Characterization and Financial Burden of Patients with Inadequate and Incomplete Bowel Preparation at an Academic Tertiary Center – A Pilot Study. Digest Diseases Week, May 2020; Chicago, Illinois

Khaitan L, M Ismail, M Kurin, A Tripathi, R Shah, G Cooper. Prevalence of Dysphagia Following Roux-en-Y Gastrojejunostomy and Laparoscopic Sleeve Gastrectomy: A Large Population Based Study. Digestive Disease Week. May 2020; Chicago, IL.

Alok Tripathi, Amitabh Chak, Brooke Glessing, Ashley Faulx, John Dumot, Zachary Smith. Miniprobe Endoscopic Ultrasonography Rarely Changes Clinical Management in Colonic Subepithelial Lesions. Abstract. American Society for Gastrointestinal Endoscopy at Digestive Disease Week; May 3, 2020; Chicago, Illinois

RESEARCH

Research Assistant for Jack Arbiser M.D./Ph D.

Department of Dermatology, Emory School of Medicine

Aug 2007 - May 2010

- tumor anti-proliferation through angiogenesis pathways on melanoma cell lines

- flash chromatography & rt PCR technique
- synthesized compounds for analytics against melanoma cell lines

Projects:

The Fluorination of Gentian Violet into a Triphenylmethane Analog Against Melanoma Cell Line WM35 PKB

The Synthesis of the Organometallic Ferrocenedicarboxylic Acid into a Triphenylmethane Analog Against Melanoma Cell Line WM35 PKB

The Synthesis of the Flavinoid Orcinol Dye into a Triphenylmethane Analog Against Melanoma Cell Line WM35 PKB

The Synthesis of N-ethylmaleimide into a Fulvene Analog Against Melanoma Cell Line WM35 PKB

Tripathi A, Shah B, Sarmad J, Ayub S, Thornton D, Sandhu D. The Black Esophagus Causes Severe Non Healing Erosive Esophagitis in Diabetics. A Case Series.

2015 - 2017

Tripathi A, Yamasaki T, Ganocy S, Fass R. Gastrectomy Increases the Risk for Esophageal Adenocarcinoma and Gastric Cardia Adenocarcinoma: An Exploratory study

2016 - 2017

Lee V, Soma D, Tripathi A, Pivato E, Gutkowski T, Becker J, Pile J. Reducing Inappropriate Prescription of Twice Daily Proton Pump Inhibitor within the Medicine Population. Quality Improvement

2016 - 2017

Khallafi H, Tripathi A, Yamasaki T, S Fass, R Fass. Evaluation of the Therapeutic Effect of Rifaximin on Covert Hepatic Encephalopathy with Underlying Small Intestinal Bacterial Overgrowth and Gastrointestinal Dysmotility in Liver Cirrhosis Patients.

2017 – 2018

Kats D, Tripathi A, Tarabichi Y. Benzodiazepam Infusions in Management of Alcohol Withdrawal Generates Benzodiazepam Delirium.

2017 – 2018

Tripathi A. Sadik J. Smith Z. Unplanned Healthcare Utilization Following EUS-FNB.

2018 – 2019

Tripathi A, Ahmed D, Smith Z, Chak A. Miniprobe Endoscopic Ultrasonography Does Not Change Clinical Management in Colonic Subepithelial Lesions.

2019 – 2021

Cohen SM, Paspulati R, Alok Tripathi. Dyspnea in Hepatocellular Carcinoma. Published. Clinical Challenges and Images in Gastroenterology. Gastroenterology. Volume 158, Issue 3 Pages 480-481.

Feb 2020

Cohen SM, Liu W, A Tripathi. Correlation Between Liver Elastography and Liver Biopsies in Tertiary Transplant Referral Center in the U.S.A.

2020 -
